Ref: Steel Strap Price Increase Notification

Dear Valued Customer,

The steel industry has continued to increase prices for raw materials. Samuel Packaging Systems Group will be announcing another increase.

Samuel will be raising prices on all steel strapping and related products by 9.5%. This increase will take effect on all orders placed on or after March 1st, 2021. All orders placed for immediate shipment will be priced at the current prices.

Samuel is prepared to accept orders for normal buying patterns. All orders are subject to confirmation by Samuel.

We appreciate your continued support. Our Customer Service and Sales teams will be able to assist you with any questions.

Sincerely,

Re: Plastic Strap Increase 3-1-21

Dear Valued Customer,

Raw material costs for plastic strapping, both Polypropylene and Polyester have continued to increase over the past few months. Resins have been in tight supply due to production challenges. This will require Samuel to increase prices on all Plastic strap by 12%. This will take effect on all orders placed beginning March 1st, 2021.

Samuel is prepared to accept orders for normal buying patterns and for immediate shipment. All orders are subject to confirmation by Samuel.

We appreciate your continued support. Our Customer Service and Sales teams will be able to assist you with any questions.

Sincerely,
