

**Price Increase Announcement  
North America**

April 18, 2022

Dear Valued Customer,

Freight, energy and labor costs continue to escalate as world events continue to unfold. While we have attempted to contain these increases, the need to pass these through has become a necessity.

Anchor Packaging LLC is announcing a non-resin increase of **5%** across ALL rigid, flexible and equipment brands. This increase will become effective with orders placed on or after **Friday, May 20, 2022**.

**All non-guaranteed contracts, bids and POD's will be increased by the percentage listed above**

Thank you for your continued support of our products.

Sincerely,

A handwritten signature in black ink that reads 'Dave E. Johnson'.
