

Price Increase Announcement

May 2nd, 2022

To our valued clients,

Due to the continued rising cost in raw materials, adhesives, corrugated, freight and fuel surcharges, Atlas Paper Bag is announcing the following increases effective June 1st, 2022:

- 12 % on all foil cushion sheets and foil bags
- 10 % on all other products; plain and custom printed

Other items like Grocery Bags may be subject to higher increases.

A detailed price list will follow shortly reflecting the announced price increase.

All orders received on and after June 1st, 2022 will require the new price increase amount. Please note that purchase orders can not exceed the average monthly volumes previously shipped.

We thank you for your continued support during this time.

Please stay safe.

Regards

John Calvo
President
Sales and Product Development
