

REVISED ACCESSORY PRICE LIST EFFECTIVE JUNE 1, 2022

Dear Valued Distributor:

Due to significant increases in freight that can no longer be absorbed on outsourced items, revised Bobrick and Gamco Price Lists will be effective June 1, 2022 and available in iBob on May 2, 2022. The revised Price List reflects increases only on outsourced items, which represent roughly 15% of our total available SKUs. Items manufactured by Bobrick remain unchanged from the March 15, 2022 Price List.

Thank you for your continued support.
