Subject: Notification of Price Adjustment

Dear Valued Distributor Partners,

We hope this message finds you well. At Global Paper & Plastics we are committed to providing you with the highest quality products and services. To continue meeting your expectations, it has become necessary to adjust our pricing due to increased supply chain challenges, inflation, the weakening of the Canadian dollar against the US dollar and domestic freight costs.

Effective April 1, 2025, our pricing will increase by six (6) percent. All orders entered and shipped before April 1st will be at existing prices. Orders entered after April 1st will be at the new prices.

We assure you this decision was not made lightly, and it reflects our dedication to maintaining the level of quality and service you deserve.

As a valued customer, your satisfaction remains our top priority. If you have any questions or need assistance, please don't hesitate to reach out to us at info@globalpaperandplastics.com or via phone at 905-563-1115.

Thank you for your understanding and continued support.

Sincerely,

Rob Flatow
