### Features/Benefits

This high-performance product is specially designed for the complete maintenance of your bathroom. It effectively cleans ceramic tiles, mortar joints, as well as porcelain and acrylic surfaces. It is also ideal for removing soap and limescale deposits from bathtubs and showers.

**USE:** Apply the product to the surfaces to be cleaned, scrub with a brush or suitable pad, then rinse thoroughly with clean water.

Refer to the Safety Data Sheet (SDS) for additional information.
