

# Tile Clean Hard Tile Cleaner

## Deep Cleansing Hard Tile Cleaner

Fast acting foaming cleaner for all types of hard tile surfaces and grout designed to be used with a variety of application procedures. This special blend of organic and phosphoric acids effectively cleans body oils, soap scum, and mineral deposits found in shower areas, restrooms, pools, and spas. In food service areas, this formula is especially effective in removing heavy buildups of kitchen grease. Restores quarry tile to its original porous condition and increases the slip-resistant qualities of the tile, an important feature for the safety-minded customer.

### Features

Foaming action provides superior "cling action" on vertical surfaces.  
Quickly attacks heavy kitchen greases as well as soap scum and organic soils.  
Special blend of nonfuming acids will not attack fixtures or grout.

### Available In

**4 - 1 Gal. Bottles Item #11904-00**

**55 Gal. Drum Item #11955-00**

### Directions for Use

For use on all types of hard tile surfaces and grout to clean mineral deposits, soap scum, and heavy buildups of kitchen grease. Prior to use, food products and packaging must be removed from the room or carefully protected. Following use, all surfaces must be rinsed with potable water.

**LIGHT SOIL:** Dilute 3 oz./gal. or 23 mL/L (1:43) with water.

**MODERATE SOIL:** Dilute 6 oz./gal. or 47 mL/L (1:21) with water.

**HEAVY SOIL:** Dilute 10 oz./gal. or 78 mL/L (1:13) with water.

**"SHOCK" TREATMENT:** Dilute 26 oz./gal. or 200 mL/L (1:5) with water.

### Tech Specs

Acid types	Proprietary blend of phosphoric and nonfuming orga
Color	Red
Detergency	High
Foam type	High
Fragrance	Characteristic
Fumes	None
pH	<1.0
Rinsability	Complete
Warranty	2 years
Solvents	None
Specific gravity	1.07
