CONCENTRATED ROOM DEODORANT

FOR METERED AEROSOL DISPENSERS

CONCENTRATED ROOM DEODORANT

for Metered Aerosol Dispensers is a true BIG D® odor counteractant specially formulated for industrial and institutional needs.

The formula contains no 1-1-1 Trichloroethane or fluorocarbons and complies with all federal and state environmental regulations, including those of California.

BIG D® offers an assortment of pleasant fragrances containing our special deodorizers that neutralize odors rather than mask them. The uniform actuator valve enables the aerosol canister to be used in BIG D® **METERED AEROSOL DISPENSERS**.

Each 7 oz. can contains approximately 3,400 sprays and effectively deodorizes a 6,000 cu. ft. area.

METERED AEROSOL DISPENSERS

BIG D® **METERED AEROSOL DISPENSERS** may be placed in locations such as restrooms, locker rooms, schools, food service, offices and lobbies, hotels and property management. There are three models to choose from:

The **UTILITY AEROSOL DISPENSER** is a cost-effective way to maintain constant deodorization. It is pre-programmed to dispense a deodorant spray every 15 minutes and is equipped with a built-in indicator light which alerts you when the aerosol canister needs to be replaced. Spray covers up to 6,000 cu. ft.

The **LIGHT ACTIVATED AEROSOL DISPENSER** can be programmed to turn off when there is no light in the room. This dispenser can easily be set to spray every 5, 15 or 30 minutes for 24-hour dispensing, or to spray only at specific intervals when the lights are on in the room. It also has an indicator light which alerts you when the aerosol canister needs to be replaced. Spray covers up to 6,000 cu. ft.

The **FULLY-PROGRAMMABLE AEROSOL DISPENSER** is on the cutting edge of technology. This unit permits you customized start and stop options. Its LED clock is set to 24-hour military time to ensure accuracy. It may be programmed for either 5-day or 7-day service. Spray intervals may be set from 1 to 60 per hour, allowing more controlled use of the aerosol product. This dispenser is available in two colors. Spray covers up to 6,000 cu. ft.
