## WATER SOLUBLE DEODORANT

Use BIG D® **WATER SOLUBLE DEODORANT** on a regular basis to control difficult odors in all types of environments.

- Carpet/Rug Care: Just 1/2 oz. of **WSD** in a gallon of shampoo solution will remove all types of odors.
- Hospital/Medical Cleaning: Use **WSD** in sickrooms, toilet areas, catheter bags and any other sensitive medical area with hard to control odors.
- Restaurants/Food Service: Especially effective in waste areas or dumpsters, **WSD** can help you control difficult odors caused by meat and fish scraps, vegetable trimmings, etc. when used in a hand sprayer or fogger.
- Animal Areas/Veterinary Hospitals: Rinse floors, surfaces and fog stall areas once a week with **WSD** to eliminate animal and manure odors.
- Restrooms: Office buildings, schools or at home, **WSD** should be used on all hard surfaces and as a fog.
- Commercial Laundry: Add just 2 oz. **WSD** to every 100 lbs. of dry laundry to effectively remove odors from rags, uniforms, sheets, etc.
- Recreational Vehicles: **WSD** is especially effective in chemical toilets and on all surfaces.
- Sewage Plants: Spray 1/2 gallon of **WSD** over each 1,000 square feet of settling bed.
- Furniture/Drapes: In any office, hospital, nursing home, school or home, **WSD** is safe to spray on furniture and drapes to control odors and leave a pleasant fragrance.

BIG D® **WATER SOLUBLE DEODORANT** is concentrated, easy to use and effective. Just a small amount added to water or other cleaning products will destroy odors on contact without changing the properties of the cleaner.

BIG D® deodorants actually eliminate odors, not just mask them. And they are safe— nontoxic, nonflammable, biodegradable, will not stain any material unaffected by plain water.

**WSD** is versatile. Use it for mopping, shampooing, rinsing or in a hand sprayer or fogger.

All Big D® products are free of surfactants known as APES (alkylphenol ethoxylates) and NPEs (nonylphenol ethoxylates), which do not biodegrade quickly and are toxic to aquatic life.

**BIG D® WATER SOLUBLE DEODORANT** is ideal for use with carpet or upholstery. It removes odors associated with pets, food, mustiness, vomit, smoke, etc. Use anywhere there's an odor problem or possible odor problem: In mop water, in the washing machine, in the humidifier, in the sick room, around the farm or ranch. Use anywhere any kind of cleaning operation is underway.

### **DIRECTIONS FOR USE**

**Cleaning Hard Surfaces:** Use 1 oz. **WSD** to 1 gallon (30 ml to 3.8 l) detergent or cleaning solution.

**Commercial Laundry:** Use 2 oz. **WSD** for 100 lbs. (60 ml to 45.5 kilos) of dry laundry (62 1/2 gallons of water). Add to final rinse.

**Hand Spraying:** Use 4 oz. **WSD** to 1 gallon (120 ml to 3.8 l) of water. Excellent for spraying drapes and furniture.

**Kitchens:** Use 1 oz. **WSD** to 1 gallon (30 ml to 3.8 l) of water. Clean floors, cabinets, refrigerator, range and garbage cans. Pour leftover in garbage disposal while it is in operation.

**Rest Rooms:** Use 2 oz. **WSD** to 1 gallon (60 ml to 3.8 l) of water in a hand sprayer. Spray on toilet bowl and seat, floor near toilet, lavatory, and tub or shower stall. Saturate a paper towel and place in waste receptacle after each emptying for continuous freshening.

**Steam Extraction Carpet Cleaners:** Use 8 oz. **WSD** to 20 gallons (240 ml to 76 l) of cleaning solution. For improved results, spray **WSD** in room at completion of job.
