SKU : W430

Double recrepe process: soft outer layer and highly absorbent inner layer

Solid durability with excellent wipe dry capabilities and cloth-like feel

Pop-up box allows for one sheet dispensing to eliminate over use and waste

Made with 55% recycled fibers

Description

Cascades PRO Tuff-Job® DRC Double Recrepe provides an industrial-strength wiper designed for water-based and oil-based cleanups, including grease, paint, lubricants, and mild solvents. With solid durability, excellent absorbency, and efficient wipe-dry capabilities, it is ideal for tasks in fleet maintenance locations, surface and parts cleaning, and routine industrial cleaning. The convenient, portable dispensing box ensures easy, one-sheet dispensing, minimizing overuse and waste. Skillfully made with 55% recycled fibers, it presents an eco-friendly answer to industrial cleaning requirements.
