

Cascades PRO Tandem Multifold Hand Towel Countertop Dispenser, Dark Gray

SKU : C360

- A clean look and touchless experience
- One-at-a-time dispensing
- Different sizes of multifold paper hand towels

Description

The Cascades PRO Tandem® Multifold Hand Towel Countertop Dispenser stands out as the only countertop dispenser that can accommodate two paper formats, providing additional flexibility to meet different needs. It offers a jam-free experience, guaranteeing better hygiene with its stylish, modern, streamlined design, while optimizing operating costs. It's inventive design allows for a quick view of paper levels, simplifying refill management. Versatile, it can be used vertically or horizontally in smaller spaces and conforms to ADA guidelines when correctly installed, ensuring optimal accessibility. Opt for the Cascades PRO Tandem® C360 countertop dispenser for efficient management of multifold hand towels, ensuring optimal hygiene and exceptional adaptability in various settings.
