

**KILLS 99.9% OF GERMS
IN 60 SECONDS**

Certainty™ Plus Disinfectant Wipes are disposable, pre-moistened wipes with a quaternary disinfectant cleaner. Our wipes are fragrance, alcohol and bleach free. Certainty Plus Disinfectant Wipes are available in a convenient 200 count canister to provide a fast effective way to clean, disinfect and deodorize.

Registered with Health Canada
Safe on all surfaces
Fragrance-free, alcohol-free

The Certainty Plus Disinfectant Wipes are 99.9% effective in killing common bacteria:

Campylobacter jejuni	60 seconds *
Staphylococcus aureus (Staph) (ATCC 6538)	60 seconds *
Klebsiella pneumoniae (ATCC 4352)	60 seconds *
Listeria monocytogenes (ATCC 35152)	60 seconds *
Escherichia coli (E. coli) O157: H7 (ATCC 43895)	60 seconds *

Portable Disinfectant Wipes

Certainty™ Plus Disinfectant Wipes are designed to save you time and money while providing a fast and effective method of disinfecting hard, non-porous surfaces within your facility.

Our portable 200 count canisters are a perfect alternative to our larger wall and counter top dispensers.

Ready to use pre-moistened wipes in a portable dispensing system

Reduces the risk of cross-contamination

Contains no fragrances or alcohol

Safely used on all non-porous touch points
