FORMAT: LOTION

FEATURES	BENEFITS
Ecologo™ certified	Provides customers with assurance that the products meet stringent standards of environmental leadership.
Powerful and versatile	Formula effectively removes a wide range of deeply ingrained and difficult to remove soilings such as most oil based paints, oil, grease and grime.
Cleans quickly	Quickly cuts through soils to make hand washing quicker and easier.
Contains natural cornmeal scrubbing agent	Provides a deep clean without damaging the skin or harming the environment. Scrubber is easily rinsed away without blocking drains and pipes.
Fresh citrus scent	Pleasant to use and leaves the skin smelling fresh.
Contains skin conditioners	Contains Jojoba Oil and Wheat Germ Oil, a source of Vitamin E, to help prevent drying, leaving the skin feeling smooth after use.
Soap-free formulation	Formulated for frequent use to be gentle to the skin.
Silicone-free	Suitable for use in any production sites where paint and surface coating processes are undertaken.

Powerful Citrus Heavy Duty Hand Cleaner

STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Regulations of Health Canada. SC Johnson Professional products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroupp.com/ca/sds.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature.

CERTIFICATIONS

Ecologo™ Certification

Solopol® Citrus is certified according to the UL Ecologo™ Standard UL 2784.

Ecologo™ certified products, services and packaging are certified for reduced environmental impact. Ecologo™ certifications are voluntary, multi-attribute, lifecycle based environmental certifications that indicate a product has undergone rigorous scientific testing, exhaustive auditing, or both, to prove its compliance with stringent, third-party, environmental performance standards.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow Good Manufacturing Practice (GMP) and/or Cosmetic GMP requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.

Do not store in food processing or food storage areas. For professional use only.
