

Deb® Hair & Body WASH

An all over hair & body gel wash with an invigorating rainforest fresh fragrance.

Usage: Use in shower areas at the end of each work period to remove perspiration and light industrial contaminants.

Method of Use: Wet hair & body thoroughly with clean running water and apply gel as required. Rinse thoroughly and wipe dry with clean towel.

Features & Benefits

Caring - Contains a blend of natural emollients and hair conditioners to leave hair and skin feeling smooth and healthy.

Invigorating Rainforest Fragrance - Pleasantly refreshing with no lingering scent and appealing to both males and females.

Fully Water Soluble and Free Rinsing - Easily rinses away promoting clean, healthy skin and hair, leaving no residues in shower areas.

Mild Blend of Surfactants - Creates a luxurious lather for enriched cleaning; ideal for regular, daily use .

Clear, Viscous Aquamarine Gel - Aesthetically pleasing appearance for both male and female shower areas.

EcoLogo® Certified by the Government of Canada - This internationally respected certification provides customers with an independent assessment of the products environmental credentials.
