

Durable & Economical

Maintain meal freshness and integrity with Clover™ hinged foodservice containers

CLOVER™ HINGED CONTAINERS: DURABLE & EFFICIENT

Clover™ delivers convenience and efficiency from the back of the house to the customer's front door. Composed of strong polypropylene, Clover™ is a leak-resistant, easily stackable line of foodservice containers suitable for hot and cold food applications. With a vented lid and durable design, Clover™ helps maintain meal freshness, preserves presentation, and provides ease in portability. Available in a variety of sizes to meet your business needs.

Versatile and innovative, Clover™ containers can be stored in the refrigerator, reheated in the microwave, and placed neatly in the dishwasher. Most importantly, Clover™ enhances food visualization and helps increase order accuracy. Elevate takeout and delivery operations while providing positive customer experiences with Clover.™
