0 64627 08570 5

Format

700 mL

Appearance

Translucent liquid

Color

Transparent

Odor

Chlorine

Active ingredient

2.73% w/v sodium hypochlorite when packed

Shelf life

24 months

Directions

Spray, rinse and wipe clean with a damp cloth or sponge. To disinfect hard surfaces, spray and let stand for 10 minutes before wiping. Heavily soiled surfaces must be cleaned prior to disinfection. Avoid contact with food.

Note

Avoid prolonged contact with painted or papered surfaces, porcelain and worn formica. Rinse immediately after use on metal to avoid discolouration or pitting. Do not use on mirrors, natural marble or stone. Avoid contact with clothes, fabric, wood, aluminium and carpet.

Caution

Keep bottle in upright position. Protect from freezing. Read label before use.

Safety measure

Read the Material Safety Data Sheet. May irritate eyes and skin. Dangerous fumes form when mixed with other products. Keep out of reach of children.
