

VMAXX

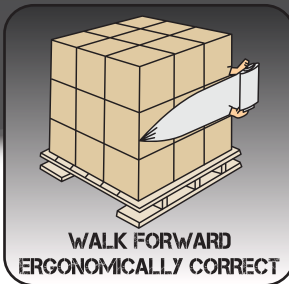

Pre-Stretch Hand Film

FEATURES:

- Lightweight Roll
- Excellent Cling Properties
- Bulk Packaging
- Ergonomically Friendly Product

BENEFITS:

- Consistent optimization of film usage
- Faster application speed
- Less physical strain on labor force
- Walk forward, just tug film firmly at corners
- Safer and easier handling
- Less roll damage when dropped
- Excellent puncture properties
- Will withstand unusual loads
- Significantly less waste disposal

V-Maxx Pre-Stretch Hand Film utilizes our proprietary process to produce an ultra thin hand film that will outperform standard gauge films.
