

Kling up

Urinal & Toilet Gel Cleaner

DESCRIPTION

Kling up is a powerful toilet gel cleaner made for an easy maintenance. With its disinfecting and cleaning agents, it efficiently dissolves hard water and urine stains, rust, calcareous deposit and stubborn stains. Do not evaporate like usual muriatic acid products. It stops bad odours and it is safe for white and coloured bowls, septic tanks and plumbing.

ADVANTAGES

1. Kill 99.9% of germs.
2. It is biodegradable and safe for septic tank and plumbing.
3. Its gel formula do not evaporate like usual muriatic acid products.
4. Clean and disinfect in one step.
5. Emit fresh fragrance that stops bad odours.
6. Safe for white and coloured bowls.

TECHNICAL DATA

pH (as is)	1.0
Density (20°C)	1.22 g/cc
Colour	Blue
Fragrance	Peppermint
Characteristic	None
Biodegradability	Complete
Flash Point	More than 65°C
Freezing Stability	Keep out from freezing

Degradability determined in accordance with OECD no. 301D.

DIRECTIONS

Carefully squeeze a generous amount (120ml) of product under the rim and directly on the side of the bowl, let it run down into the water. For disinfection, let soak for 10 minutes and brush entire bowl. For tough stained bowls, let soak for 15 minutes before brushing. Flush toilet clean. Close cap securely after each use.
