

ZERO MOUSSE

Defoaming Agent

DESCRIPTION

Concentrated defoaming agent that quickly eliminates foam in shampooing machines, recovery tank, automatic scrubbers and hot water extractors. It assures immediate foam control and a long lasting output, to avoid repetitive draining.

ADVANTAGES

1. It assures immediate foam control.
2. Long lasting output, to avoid repetitive draining.
3. It is biodegradable and safe for shampooing machine, recovery tank, automatic scrubber and hot water extractor.

TECHNICAL DATA

pH (as is).....	7.5 - 8.5
Density (20°C).....	1.00 g/cc
Colour.....	Milky white
Fragrance.....	None
Characteristic.....	None
Biodegradability.....	Complete
Flash Point.....	More than 95°C
Freezing Stability.....	Keep out from freezing

Degradability determined in accordance with OECD no. 301D.

DIRECTIONS

Shake well before use. Add 56mL of ZERO MOUSSE by 20L of recoverable tank capacity in the tank before to begin cleaning. If foam is excessively high, add 30 ml of FOAMEX in the tank.

NOTE: Spraying directly onto the carpet or upholstery is not recommended.
