

VIVA

Cream Scouring Cleanser with Abrasive

DESCRIPTION

VIVA is a powerful and biodegradable cream cleanser. Its deep cleaning action removes quickly and easily stubborn stains, soil, grease, soap scum and heel scuff marks from all washable surfaces not harmed by water, such as: sinks, wash basins, bathtubs, shower, chrome, cooper, brass, stainless steel, porcelain, enamel, ceramic tiles, swimming pools, pots and pans and more! Its special formula clings to the surface to ensure longer contact and best cleaning, polishing and brightening. It contains no harsh alkalis or acids and is safe for pipes and drains.

ADVANTAGES

1. Has a scouring action to help removing stubborn stains.
2. It is biodegradable and safe for pipes and drains.
3. Cleans all washable surfaces not harmed by water, safe for plastic, porcelain, ceramic and fibreglass.
4. Its creamy formula clings to the surface to ensure longer contact and best cleaning.
5. Contains no harsh alkalis or acids.
6. Has a fresh lemon scent.

pH (as is)	7.5 – 8.5
Density (20°C)	1.30 g/cc
Colour	Blue
Fragrance	Discrete lemon
Characteristic	None
Biodegradability	Complete
Flash Point	More than 95°C
Freezing Stability	Keep out from freezing

Degradability determined in accordance with OECD no. 301D.

DIRECTIONS

Squirt a small quantity of VIVA onto a cloth or damp sponge. Rub gently to loosen soil. Rinse with water or wipe with a cloth or damp sponge. Then, polish with a clean, soft and dry rag.

NOTE: For delicate or special surfaces such as painted enamel, aluminium or aged and worn sinks and tubs, a special care may be required. It is recommended to test VIVA on a hidden area before use.
