

Introducing PUR Value Can Liners: Sustainable Solutions for Clean Spaces

- Made from 100% recycled materials sourced from Post Industrial and Post Consumer origins.
- UL ECOLOGO certified for meeting stringent sustainability standards
- Ideal for Municipal and Government facilities.
- Designed for superior strength and puncture resistance.
- Convenient flat-packed and individually folded for easy one-at-a-time dispensing.
- 100% recyclable alongside recycled content, where recycling facilities are available.
- Made in Canada.
