

PRO:LINE

# TECHNICAL DATA SHEET

## Sprayway® Pro Line Silicone Spray

**DESCRIPTION:** Silicone Spray is colorless, non-staining, waxless and heat stable. This friction reducer results in speedier cleanup of parts and equipment and increased production through cleaner job processing. It remains dry and is non-staining. Complies with FDA regulations applicable to the food packaging/food processing industry

**USES:** Lubricant and release agent for use on: Ovens, freezers, conveyors, belts and chutes. May be used on food processing equipment as a protective anti-rust film.
