benefit

Tork Universal Cuisine Foodservice Wiper is color-coded to reduce the risk of cross contamination. With SCA's foodservice wiper system, you can be confident that your employees know the correct wiper for each environment. Easy-to-use Tork color-coded foodservice wipers prevent cross contaminating by ensuring that the right wipers are always used for the right tasks. The wipers are easily distinguishable, allowing employees to quickly spot if a wiper designed for the back-of-the-house tasks has migrated to the dining area. Blue light-duty wipers are for bussing tables and wiping spills. Stands up to food service sanitizers. This product contains 100% synthetic and virgin fibers. Replaces 192181.
