benefit

Tork Performance is a new generation of dispensers born to perform. All dispensers are optimised for Tork wipers and when combined they become the perfect performance tools. They present a professional image that your customers and staff will appreciate as well as supporting the user in the task at hand. Whether it is greater productivity, increased quality, improved hygiene, better ergonomics, cost in use or uncompromising safety you are looking for, this range will deliver wherever you are. Dispensers for large centerfeed rolls (W2 System) are durable and robust. Have high capacity. Dispenser protects the roll. Fast and easy to access. Ideal for kitchen and food preparation environments as well as industrial environments. Replaces 203051.
