benefit

Tork Universal soft and absorbent towels provide the right combination of quality, performance and value. Embossing enhances hand feel and maximum performance. Multifold design provides for less towel consumption leading to source reduction, storage space savings, and lower overall costs. High wet strength provides a premium quality people appreciate. Fast absorbency helps to control usage, so you save on reduced waste and maintenance time. "No touch" hand towel service offers sanitary conditions. Contains 100% recycled fiber providing environmental benefits, and a positive image builder. Replaces MB530. EcoLogo Certified.
