benefit

Tork Universal soft and absorbent towels provide the right combination of quality, performance and value. Embossing enhances hand feel and maximum performance. Multifold design offers quality and value for high volume rest rooms and provides for less towel consumption leading to source reduction, storage space savings, and lower overall costs. High wet strength designed to please your most demanding users. Fast absorbency helps to control usage, so you save on reduced waste and maintenance time. "No touch" hand towel service provides sanitary conditions. Towels are made from 100% recycled fibers and a minimum of 40% Post Consumer fibers providing environmental benefits, and a positive image builder. EcoLogo Certified. Green Seal Certified.
