

UNICA SUPER CREM 2000

DESCRIPTION

UNICA SUPER CREM 2000 is a solvent base hand cleaner that easily removes grease, wax, inks, grime, tar, dirt, carbon, adhesives, asphalt, pine gum, etc. Cleans stains on clothes and car's upholstery.

DIRECTIONS

Without water: Rub Unica Super Crem 2000 well into hands until completely liquefied and dirt is dissolved, then wipe dry thoroughly.

With water: Apply as above, add a few drops of water while you keep rubbing to better emulsify dirt. Then rinse with plenty of potable water and wipe dry thoroughly before handling food products. For best antibacterial results, soap should be in contact with skin for at least 30 seconds.
