

UNITREX
Daily Cleaner – Bathroom care

DESCRIPTION

UNITREX is an acid-free restroom, bowl and urinal cleaner. It is a pleasantly fragranced ready-to-use thick lotion. It contains emulsifiers, which are designed to remove soil and eliminate odor from bathroom fixtures and surrounding areas. It clings to vertical surfaces resulting in improved cleaning action.

ADVANTAGES

1. It is biodegradable and septic safe
2. Its gel formula gives advantage to be no volatile same as muriatic acid product
3. Cleans and disinfects in 1 step
4. Leaves a fresh scent that stems odors.
5. No acid product and safe for white or color bowl
