

AUTOWAX

Vehicle Liquid Wax – With carnauba • Ultra shiny finish

DESCRIPTION

AUTOWAX is a high quality professional liquid wax with pure carnauba. Easy to apply, it cleans, waxes, shines while waterproofing and removing oxidizing agents all at once. It dissolves tar, bird droppings, insect residue, dust, soot, grease, oil and paint fumes. AUTOWAX contains optical brighteners for optimum brilliance and to eliminate fine scratches and swirls. It also contains light stabilizers that add polishing oils, reduce UV ray damage and provides protection from colour fading. May be use on all type of vehicles and it is ideal for use on clear coats, lacquer, acrylic and enamel-type paints, chrome, synthetic resin and certain vinyl.

ADVANTAGES

1. Because its special formula that cleans, waxes, shines while waterproofing and removing oxidizing agents all at once, it save energy and time.
2. Gives an ultra shiny finish and eliminate fine scratches and swirls.
3. Reduce UV ray damage and provides protection from colour fading.
4. Safe for all type of paints.
5. Have a nice cherry scent

TECHNICAL DATA

pH (as is)	8.0 – 8.5
Density (20°C)	1.00 g/cc
Colour	Light pink
Fragrance	Discrete cherry scent
Characteristic	None
Flash Point	More than 95°C
Freezing Stability	Keep out from freezing

DIRECTIONS

Shake well before using. Make sure the surface is cold and dry. Apply a small amount of AUTOWAX on a clean, dry or humid cloth and apply by surface of 1m2at a time. Rub on surface to be polished. When a film appears on the surface, polish with a second clean, dry cloth until a high gloss shine is obtained. Can also be used with a polishing wheel.
