

UNICA ORANGEL

DESCRIPTION

Creamy antibacterial citrus base lotion hand cleaner with fine pumice, to be used with or without water. It easily and naturally removes tough dirt such as: rust, grease, paint, tar, urethane, carbon, varnish, pine gum, adhesives, resin, cement and printer ink. It is also very efficient against stains on clothes and leather eats. Its unique formula combines exceptional cleaning power of orange oil with recurrent effects of pumice. Useful size format with pump.

DIRECTIONS

Rub Unica Orangel well into hands until completely liquefied and dirt is dissolved, then wipe dry or rinse with potable water. For best antibacterial results, soap should be in contact with skin for at least 30 seconds.
